COLLECTION

A BLUEPRINT

FOR EXCELLENCE

TOP RAIL

Your imagination is the only limit to creating the look you've always wanted and the key to creating a home that is truly unique. Turn yours into a space that will be envied and admired. With all the options available for glass, panels, wood species, designs, and applied of class and elegance.

APPLIED MOULDINGS

A door can truly come alive when you add depth with our relief-accentuating mouldings. Transform a simple door into a structural element with dimensional impact and an impressive distinction.

Lemieux offers 4 types of applied mouldings, and they're an easy way to leave your impression on a building decor.

INTERIOR FRAMES FOR ROUND AND ARCH-TOP DOORS

Because we also carry a full line of interior frames for round and arch-top doors, every component of your door design originates from the same source. Gone are the annoying structural and aesthetic incompatibilities that can arise from multi-sourced materials. Our turnkey solutions are designed to fit last, and of course, to impress.

MAKE YOUR DOORS STAND
OUT EVEN MORE BY ADDING
SIDELITES AND A TRANSOM.

They will brighten any room,
bathing it in natural light. It's a
refreshing accent that will bring
your home to life.

SIDELITES & TRANSOMS

Sidelites are narrow, vertical windows positioned on either side of an entry door. Though they are commonly paired, it is possible to have a sidelite on just the right-hand or left-hand side of a doorway.

SLIDING WINDOWS

TLW-W1
